Via West Campus

Via West Campus is located on a stunning 13.5 acre, fully accessible campus in the Cupertino foothills in California. Our one of a kind outdoor learning facility feels like a secluded natural retreat but we are a mere 7 miles from the intersection of highways 280 and 85.

Accommodations

No one is going to be "roughing it" at Via West! Our facility has six modern and accessible sleeping lodges equipped with bathrooms and showers. Each lodge houses 15-25 campers with space for up to 6 staff members, who live with the children; furthermore, each lodge is equipped with an internal alarm for the safety of sleep-walkers.

Campus features:

- 5 dormitory style sleeping lodges
- Running water and electricity
- Main lodge with large commercial kitchen
- Creative arts building
- Performance arts building
- Gym
- 2 accessible, newly renovated swimming pools
- Accessible hiking and fitness trails
- Sports court
- Horse corral
- 2 amphitheaters
- Accessible garden
- Greenhouse
